REFERENCES AND LINKS

In the case of direct or indirect references to external websites ("links") that lie outside the area of responsibility of EXTOLL GmbH, a liability obligation would only come into force in the event that EXTOLL GmbH (represented by the managing director) has knowledge of the content and it would be technically possible and reasonable to prevent use in the event of illegal content. For illegal, incorrect or incomplete contents and in particular for damages resulting from the use or non-use of such information, only the provider of the page to which reference is made is liable, not the person who merely refers to the respective publication via links.
